FOOD TRUCK REGISTRATION 2020

Harbourfest Inc. reserves the right to refuse any registration not received by the cut off dates stipulated. We also reserve the right to refuse any registration if we deem the food served as a duplication to already register and accepted Food Truck registrations. Our goal is to have a variety of food trucks to serve the public during our 3 night, 2 day event. Decisions on who will attend and what will be served are based on several factors including past attendance, and a need for a variety of different foods.

Food Trucks are located outdoors and must be self-contained and comply with requirements of the Northwestern Health Unit (NWHU). The form for the NWHU must be completed and returned to them for approval prior to the event. Also, please read the NWHU guidelines.

Kenora Bylaws require that all vendors have a City of Kenora Business Licence.

Vendors are required to display their NWHU approval and business licence.

The cost for the weekend is \$530.97 plus HST per Booth. *****For a TOTAL of \$600.00*****
